Farmingville, NY - On September 20, Councilwoman Jane Bonner held her third bi-annual "Go Green" event at the Rose Caracappa Senior Center in Mount Sinai, which included a Pharmaceutical Drug Take Back and E-Waste Drive. The successful event allowed residents to safely dispose of unwanted prescriptions and medications and recycle old electronic products. The Pharmaceutical Take Back was co-sponsored by Councilwoman Bonner and Suffolk County Sheriff Vincent F. DeMarco. Pictured are deputies from the Suffolk County Sheriff's Office during the prescription drug take back. The Town collected the following amounts:

Electronic waste: 8,009 lbs
Drug take back: 12 large boxes

Councilwoman Bonner said, "The proper disposal of electronics is good for the environment and taking back old medications helps prevent misuse and abuse. I thank all the residents who stopped by to do their part in making Brookhaven a safer, and greener place to live."
